### Experience

Anna Dore is from Renton, Washington, and is currently attending Washington State University. Anna is working towards a BSN Degree with the future hopes of one day becoming a nurse. When Anna is not attending WSU or working, she loves to do hot yoga and explore the beautiful Pacific Northwest hiking. Anna's best vacation was a couple of years ago when she traveled through Italy with her family. She fell in love with the people, food, and art. Who wouldn't?

### Quote

I was interested in coming to work at Buell because I heard of the wonderful strong community and team they had built here, and let me say it's nothing short of my expectations.
