Experience

Erika spent 12 years as a medical transcriptionist before joining the Buell team in 2011. She manages all transcript production, as well as coordinating with reporters and affiliate agencies to ensure all transcripts are delivered to our clients on time. She is extremely detail oriented and makes customer service her top priority. Erika is currently enrolled in the Computer Reporting Technologies Court Reporting program at Green River Community College and is the recipient of the Realtime Writers Grant Scholarship.

Erika enjoys music, boating, camping, reading, and her role as a “baseball mom.” She has a Beagle named Buddy.

Quote

After 12 years in medical transcription, I developed a strong appreciation for precise and timely documentation. Buell Realtime Reporting was appealing with their strong reputation in the industry and teamwork approach. My amazing coworkers and pride in the high standards that Buell meets has made this my best working experience to date!
