

## Kathy Olson

ACCOUNTING MANAGER

Email:

Office:

### Experience

Kathy has over 20 years of accounting and bookkeeping experience and is happy to answer any invoice questions.

When Kathy is not working, she loves to take care of her grandson, Jaxson, and loves being his “nana”. She loves to travel as well, especially when it takes her to the ocean.

### Quote

What I like most about court reporting is all the incredible people that are involved in the profession.
