Experience

Tia, a Seattle native, has been a court reporter for close to twenty years. She always knew she wanted to be a court reporter because she was addicted to court TV. Not wanting to go to law school, court reporting was the best option! When Tia is not working, she loves to travel, scuba dive and spend time with her family, including her fur babies and bees! She has three dogs, three cats, and four honeybee hives.

Quote

In second grade I knew I wanted to be a court reporter! I loved court TV as a kid and I just had to be in the court room when I grew up. Not wanting to be a lawyer, court reporting was the best option!
